

OKI MC560n

Delivering versatility and efficiency for the demanding workgroup

MC560N MFP is a compact, smart and extremely reliable 4-in-1 device that will integrate seamlessly into any office and network environment, delivering real productivity gains from the word go.

A true MFP that is capable of producing vibrant colour and precise mono printing and copying. And dual access allows documents to be faxed or scanned even when the machine is busy.

Built for the serious office workgroup demands, the high quality design and manufacture translates into maximum system uptime, guaranteed through OKI Printing Solutions pioneering technologies and renowned build quality. Exceptional product longevity is a confident signature with any model from the OKI Executive Series range. MC560N MFP will continue to provide your business with professional customer facing documents without compromise, performing at the highest level however intense or demanding your business needs are.

Fantastic print quality and performance is complimented with economies and efficiencies way beyond the ordinary. High capacity toners, duplex printing and excellent media handling promise to make the most of your budget and increase productivity for the cost-conscious workgroup.

Outstanding quality print, brilliant colour on ordinary office paper

Exceptional quality with real impact, the MC560N MFP delivers stunning results time after time. ProQ2400 Multi-level technology delivers a greater level of detail and colour depth, always providing you with absolute confidence that your documents will make the right impression. Photo Enhance makes pictures appear rich and vibrant, even on normal office paper; furthermore the Auto Colour Balance feature ensures a consistently high level of output throughout every business day.

Efficient & Reliable - A printer you can trust today and for the future

High capacity toners, duplex printing as standard and paper handling capacities of up to 930 sheets, makes a clear statement for the busiest of workgroups – the MC560N MFP provides colour that is fast, productive and promotes affordability. System uptime, minimal user intervention and ultimate reliability are derived from OKI Printing Solutions' proven, single-pass digital LED technology and straight paper path. The MC560N MFP allows users to focus on core tasks, maximising your business potential.

Multifunctional - Advanced and easy to use print, copy, scan and fax in a single and compact device

Ease of use is synonymous with the MC560N MFP, direct scanning

RRP	£1245.00 + vat
DOS "Refurbished"	£500.00 + vat
OKI MC560n*

• Additional 530-sheet paper tray,	£100.00 + vat
• Duplex unit	£100.00 + vat
• Cabinet	£100.00 + vat
36 month lease	£30.32 + vat / month

Annual maintenance agreement £7.00 + vat per month

Toner costs	
Black Toner 8,000 images	£53.25
Cyan Toner 6,000 images	£49.00
Magenta Toner 6,000 images	£49.00
Yellow Toner 6,000 images	£49.00

to the network, email address or even FTP site is facilitated without the need for additional software. The embedded LDAP feature allows integration of this device with a directory server to search

contact and email data easily, saving you valuable time and improving the speed of scanned document delivery. An integral analogue fax provides simple and quick communication to popular numbers with one touch operation and speed dial functionality.

Performance - Designed for fast, efficient working

Whatever the business document being produced – presentations, colour charts, or text documents, users can always expect to receive fast quality colour prints and copies at 20ppm and sharp mono output at 32ppm. Exceptional print speeds are reinforced with system multi-tasking capabilities supporting greater productivity for the busiest of workgroups.

Media Flexibility - Be empowered to do more in-house

The ability to handle a variety of media, including business cards, banners of up to 1.2m long and paper up to 203gsm, makes the MC560N MFP one of the most versatile multifunction products available. In-the-box software, such as Template Manager 3.0, allows businesses to produce highly professional documents from a suite of pre-designed templates, without the added expense of outsourcing. Duplex printing reduces paper usage, saving costs and lowering your impact on the environment.

Why OKI Printing Solutions? - OKI Printing Solutions is the business printing specialist.

Our single-minded aim is to help businesses to grow and to prosper by enabling them to create the best possible impression with their printed communications. By building on our proven, reliable, single-pass technology, we have developed fast, high quality, cost-effective printing solutions that benefit businesses today and into the future. We also know how important reliability is for customers. That's why every one of our products is built to perform, day in, day out, helping to maintain business efficiency and provide that competitive edge. OKI Printing Solutions. No one does more in business printing.

Why - Executive Series? Heritage of award winning products.

Building on OKI Printing Solutions' heritage of award winning products, the exclusive Executive Series range of Multifunction Products, colour and mono printers provide hassle-free document solutions, budgetary control and enhanced workflow efficiency. Our selected Executive Series partners can provide a print strategy and tailored solution that delivers total peace of mind through fully serviced products and the benefits of predictable budgeting.
